12	Article Explanation	<p>This sauce was developed by combining yuzu juice produced in Kochi Prefecture with Mitsuwa Okonomi Sauce in order to create a new mild flavor. Honey and moshio (salt made by burning seaweed) are also added for enhanced smoothness .</p> <p>Putting this sauce on dishes that are prepared using cooking oil, such as fried pork cutlet, croquette and fried chicken, complements them with the synergy of unique refreshing flavor of yuzu and the rich taste of the Okonomi sauce.</p> <p>This sauce also goes with omelet and other egg dishes, steak and other meat dishes, fried noodles, okonomiyaki (Japanese pancake containing meat/seafood and vegetables) and fresh vegetables. We recommend keeping this multi-use sauce always ready in your kitchen. An oil-free and low-salt product containing no caramel, it is popular among young and old of both sexes.</p>
